

For True Pack Fans

The Student Wolfpack Club is the largest student organization on campus and the premier student booster club in the nation.

The club was founded in 1991 to bring together those students who want to be more than just the casual fan. It is run by students, for

students. The club's goal is to organize, support, and help to promote all varsity Wolfpack athletic programs. Each year, members of the club attend home sporting events, as well as numerous away games, helping to create an incredible home-court and home-field advantage for the Wolfpack.

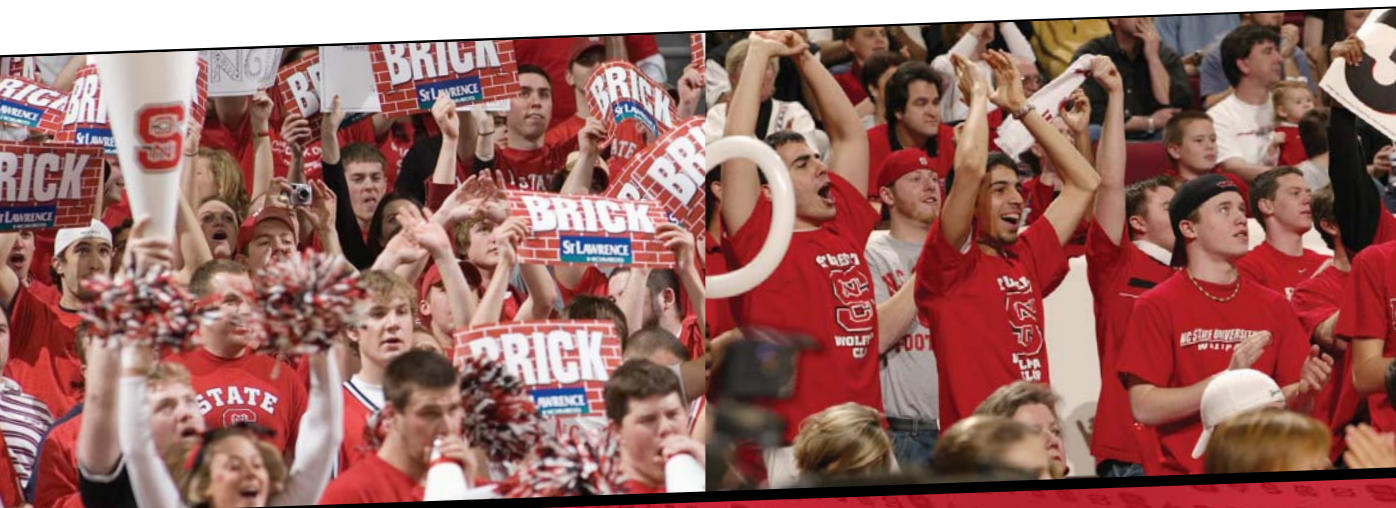

The organization is also a stepping stone for students to advance into the Wolfpack Club to support NC State athletics for many years to come. All years and contributions to the Student Wolfpack Club roll into the general Wolfpack Club upon graduation.
